Considered the gold-standard in GMAT test prep, Manhattan GMAT's ten strategy guides are the first books on the market to be aligned with the GMAC Official Guide, 2015 and 13th Editions. Fully updated and revised to deal with recent changes to the GMAT, they were designed with a content-based approach. These books offer a competitive edge for those students looking to score in the top percentiles.

The Integrated Reasoning and Essay Guide demystifies the brand-new Integrated Reasoning section, which demands a blend of mathematical and verbal proficiency. This book equips students with the core strategies and tools for tackling difficult Integrated Reasoning questions. It also provides effective techniques for approaching the essay portion of the GMAT.

Unlike other guides that attempt to convey everything in a single tome, the Integrated Reasoning and Essay Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth.

Used by itself or with other Manhattan GMAT Strategy Guides, the Integrated Reasoning and Essay Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT.

Purchase of this book includes **one year of access to Manhattan GMAT's online computer-adaptive practice exams and Integrated Reasoning and Essay Question Bank**. All of Manhattan Prep's GMAT Strategy Guides are aligned with both the 2015 Edition and 13th Edition GMAC Official Guide.
