The Story of a Fierce Bad Rabbit was published in 1906 as a panorama book, a long strip of pictures and text folded in a nice cardboard wallet, intended for very small children. Unfortunately the booksellers didn't like the panoramic format, so a few years later The Story of a Fierce Bad Rabbit, like The Story of Miss Moppet, was published in book format, with the series of Peter Rabbit books. It still is a nice book for small children.
