They Tore Out My Heart and Stomped That Sucker Flat, first published in 1982, has sold more than 100,000 copies. Without skipping a beat, one of America's favorite humorists Lewis Grizzard tells of the early stirrings of his wayward heart in the backseat of a '57 Chevy and the ominous murmurings that led him, at age 35, to major surgery and the real answer to his question "How much is this going to hurt?" In the process he discovers all the ways a heart can break. Young love. Three marriages. His father's death. And why his entire future suddenly depended on a little pig. He tells the truththe whole truththe kind that has you laughing through your tears.
