Tristes tropiques: 1ère partie Claude Lévi-Strauss

"Je hais les voyages et les explorateurs", toute première phrase de l'ouvrage, affirme sans détour son rejet de l'exotisme comme porte vers le sensationnel. Il s'agit ici d'un voyage bien plus philosophique, retour sur les études de terrain qui ont formé son esprit d'ethnologue. Comment se positionner face à l'autre, face à des cultures aux structures si différentes ? Quelles sont les valeurs intrinsèques de l'Homme ? Sur quoi baser une société ? *Tristes Tropiques* permet de suivre l'émerveillement du jeune homme mais aussi le résultat des réflexions du scientifique après plusieurs décennies d'études ; et cette association si originale donne à l'œuvre sa puissance si particulière.

Ouvrage sans égal de l'ethnographie contemporaine, destiné à large public, *Tristes Tropiques* nous transporte. Au travers de la réalité quotidienne d'un jeune homme parti à la découverte de l'altérité des cultures, Claude Lévi-Strauss dépeint les émerveillements mais aussi les difficultés du voyage. Nous suivons avec passion le travail de l'ethnologue, ses réflexions et ses interrogations sur les tribus du Brésil et d'Asie auprès desquelles il vit pendant plusieurs mois, mais aussi sa mise en perspective des ressorts de notre société occidentale. Claude Lévi-Strauss nous livre les clés intellectuelles pour la compréhension du monde, des civilisations. Son voyage philosophique questionne la place de l'homme dans la nature et notre rapport à l'autre.

La succession Lévi-Strauss et les Editions Plon ont décidé d'offrir une version sonore intégrale du texte en confiant la production aux Editions Frémeaux & Associés. Enfin, le musée du Quai Branly qui n'aurait sans doute jamais existé sans la lutte contre les préjugés de Claude Lévi-Strauss, apporte aujourd'hui son soutien à cette œuvre incarnée. Amoureux de la langue, Jean-Pierre Lorit rend l'intégralité de l'œuvre accessible et fluide par une lecture pleine de sens et de rythme.
