Wildflowers of Wyoming: Second Edition Diantha States

Wyoming is home to a host of spectacular wildflowers which collectively are unique to the Rocky Mountain West. In their extensive Wyoming travels, Diantha and Jack States photographed over 325 of the most common and showy wildflowers that inhabit vegetation zones from prairie, steppe, foothills, montane, subalpine to alpine. They are presented in this 2nd edition of their full color field guide that includes thumbnail photos of flowers by color and shape for ease of identification. Also included is a key to plant families with line drawings of 16 of those most commonly encountered families. Thus this guide is useable and appropriate for flower enthusiasts at all levels of experience.
