Customary International Humanitarian Law 3 Volume Set

In 1995, the International Committee of the Red Cross, along with a range of renowned experts, embarked upon a major international study into current state practice in humanitarian law in order to identify customary law in this area. This book (and its companion, Volume 2: Practice) is the result of that study. Volume 1 is a comprehensive analysis of the customary rules of international humanitarian law applicable in international and non-international armed conflicts.
