Melena, My Melena: My Lesbian Awakening with My Best Friend: A First Lesbian Sex Erotica Story

Rita Feldspar

The little get together had been boring as hell, so when I fell asleep on the deck lounge I wasn't all that surprised. I was surprised as hell when I woke up, though. The boys had left and my best friend was looking at me strangely. At first, I thought there was boy trouble but I was wrong. She wasn't twisted up about a boy. She was twisted up about a girl! That girl was me! I couldn't believe what was happening but before I knew it I was right in the middle of my first lesbian experience.

Warning: This ebook contains very explicit descriptions of sexual activity and includes lesbian seduction, first lesbian sex, public sex, college sex, and more. Only mature adults who won't find that offensive should read this story.

Here is a preview:

But as I looked up at Melena, I noticed something in her eyes and it was different than what I was used to seeing there. It took me a moment to realize that she was turned on. My mouth opened into a wide smile. "Did Andrew try to hit on you?" I said. She shook her head. "Oh my God! Billy didn't, did he?" She shook her head again. She laid down on that lounge next to me and I said, "So what is it then? What's up?" She didn't answer. Instead, she moved her hand to my face and gently stroked it. It was a sweet gesture but I didn't understand what was going on until she leaned forward right afterward and suddenly, her mouth was on mine.

It was shocking, of course. I didn't know what to do but she kept kissing me and I found myself kissing back. It occurred to me in the middle of the kiss that I was what had turned her on, and it was such a crazy thing to think about. I was suddenly aware of just how skimpy my bathing suit was and I was definitely aware of the way her hands were moving up and down my body. When she first pushed her hand underneath my bikini top and I felt her bare hand against my bare breast, it was like a shockwave of arousal shot through me, sensations traveling all the way from the top of my head to my toes. I moaned softly against her kiss and she pushed her tongue into my mouth and began to explore. It was so strange.

Without even realizing it, I'd lifted my hands up and began rubbing at her back. We continued to kiss and I reached lower and squeezed at her ass.
