Menstrual Disorders

Menstrual Disorders

Menstrual Disorders blends the fields of internal medicine, gynecology, adolescent medicine and other medical subspecialties in a comprehensive overview of this critical topic in women's health. As practical as it is thorough, the book is divided into three sections: Section I provides a detailed discussion of the adolescent patient; Section II covers the range of menstrual disorders that patients may experience from adolescence through menopause; and Section III examines the relationship between menstrual disorders and other medical illnesses. Menstrual Disorders is a part of the ACP Women's Health Series. Check out ACP's other available titles in the Women's Health Series: - Breast Health & Common Breast Problems - Coronary Artery Disease in Women - Menopause - Osteoporosis - The Pelvic Examination Teaching Module - Practical Gynecology - Violence Against Women
