RV Boondocking For Beginners: Proven DIY Hacks To Make Full time Motorhome Living Simple And Stress Free (RV Living) (Volume 2) Steve Plant

Boondocking is a new trend that is catching on all across the world. People are abandoning their traditional homes and the upkeep that goes with it to live a life on the road. Many people dream about taking a vacation to visit new places and see new things, but it seems to always get put on the back burner. When you live in an RV full time, exploring the world is much easier. It gives you total freedom to travel as much or as little as you like. You will want to discover some of the key tips to making your travelling experience as comfortable as possible, which you will find in this book. Safety while driving your RV is also addressed. Of course living in an RV full time requires some changes to account for the lack of space. If you plan on boondocking, which means stopping anywhere your heart desires and is legal, you need to prepare to conserve your water and electricity so you can stay out for several days or weeks at a time. Boondocking is a unique experience and allows you to be in nature without paying a hefty fee for a campground. There are plenty of tips to help you tweak your water and electricity usage so you can do just that. Are you worried about where your pet will go if you live in your RV full time? Have you considered taking your pet with you on the road? This book will provide you with tips for making life on the road with your pet fun and safe. Pets make excellent travel companions and there is no reason you should leave them behind. This is the book you need if you are planning on boondocking with your pet and want to learn more about how to maximize your space, conserving resources and ultimately, saving money.
