What would you sacrifice to save what you love most? Three rugged, dominant bear shifters are about to find out...

Dark powers stir the shadows in New Orleans' paranormal underworld. A sociopathic Voodoo king launches a quest for power that may bring the world to its knees. Rather than watch her proud city crumble, ancient priestess Mere Marie forms a plan.

There's just one catch: not just any group of men can defend New Orleans. She needs the fiercest, most valiant bear shifters she can find. Mere Marie will have to bend the laws of time, going back in history to find her warriors.

A Highland Laird, desperate to save his struggling clan. A powerful young sorcerer whose magic brings tragedy into his life. A mysterious champion, betrayed and left to die in a dark cave. Mere Marie offers a single chance at redemption, **but at what price?**

Witness the beginning of the Alpha Guardians, three mighty shifters sworn to protect and serve. **Pulse-pounding action, steamy romance, and sultry bayou nights await...**

This book is the prequel to the Alpha Guardians series; it is not intended as a standalone work. These books feature big, brawny werebears and the mouthy, curvy ladies who capture their hearts. We suggest reading these books in order for the greatest enjoyment.
