The Heroic Slave: A Cultural and Critical Edition

Frederick Douglass

The Heroic Slave: A Cultural and Critical Edition Frederick Douglass

First published nearly a decade prior to the Civil War, *The Heroic Slave* is the only fictional work by abolitionist, orator, author, and social reformer Frederick Douglass, himself a former slave. It is inspired by the true story of Madison Washington, who, along with eighteen others, took control of the slave ship *Creole* in November 1841 and sailed it to Nassau in the British colony of the Bahamas, where they could live free. This new critical edition, ideal for classroom use, includes the full text of Douglass's fictional recounting of the most successful slave revolt in American history, as well as an interpretive introduction; excerpts from Douglass's correspondence, speeches, and editorials; short selections by other writers on the *Creole* rebellion; and recent criticism on the novella.
