The Soul After Death Fr. Seraphim Rose

The Soul After Death is a comprehensive presentation of the 2,000-year-old experience of Orthodox Christianity regarding the existence of the other world, addressing contemporary after-death and out-of-body experiences, the teachings of traditional Oriental religions and those of more recent occult societies.

Although the mystery of what lies beyond the veil of death is not fully visible to us in this life, nonetheless, writings and teachings of ancient Christianity dating from the first century have proven timeless and straightforward, yielding sound insights into the spiritual world beyond death. From the firm foundation of Orthodox patristic teaching, Fr. Seraphim Rose offers an interpretation of the meaning of the contemporary experiences which have been publicized by Drs. Kubler-Ross, Moody, Osis and Haraldsson, and other researchers.

Principal teachings of Orthodox Christianity concerning the properties of the soul after death are presented in a clear concise manner, as taught by Church fathers and teachers of the early centuries. *The Soul After Death* offers an undiluted draught of pristine, mystical Christianity as it has existed since the time of Christ.
