When a girl falls into a deep and impenetrable sleep, the borders between her provincial French village and the peculiar, beguiling realm of her dreams begin to disappear: A fat woman sprouts delicate wings and takes flight; a failed photographer stumbles into the role of pornographer; a beautiful young wife grows to resemble her husband's viol. And in their midst travels Madeleine, the dreamer, who is trying to make sense of her own metamorphosis as she leaves home, joins a gypsy circus, and falls into an unexpected triangle of desire and love.

An extraordinary debut, *Madeleine Is Sleeping* received jubilant critical acclaim and was honored with a National Book Award nomination. Part fairy tale, part coming-of-age story, this "dream of a book" (Michael Cunningham) is an adventure in the discovery of art, sexuality, community, and the self.
