The Corn Was Green: The Inside Story of Hee Haw John Aylesworth

Reviled by critics but beloved by an extraordinarily faithful audience, Hee Haw was seen in over 15 million homes a week during the height of its popularity. Many years after going off the air, Hee Haw remains the longest running variety show of its type in television history, having aired for nearly 600 episodes during its decades-long run. This book tells the complete story of how one of America's classic television programs was created by two Canadians in Beverly Hills. Series co-creator John Aylesworth provides an intimate, behind-the-scenes look at some of Hee Haw's best--and worst--moments, from the show's shoestring beginnings in a tiny Nashville studio; to the "Great Country Massacre of 1971," which saw the cancellation of Hee Haw, The Beverly Hillbillies, Green Acres, and several other "country shows" on CBS; to its unprecedented success in syndication. Richly illustrated with dozens of the author's personal photographs and memorabilia, the book also includes one appendix providing a complete list of Hee Haw episodes from 1969 to 1992.
