"Peggy Claude-Pierre has created a paradigm shift in the way we view and treat anorexia. Peggy has shifted the focus of care from that of controlling the symptoms of disordered eating to healing the negativity that would otherwise plague the individual for the rest of his or her life. I have developed the utmost respect for her, for I realize that she has translated the secret language of anorexia. Now it is up to us to use the knowledge she has revealed."
--Daniel J. Smith, M.D.

"Peggy Claude-Pierre's work begins where attachment to the limiting obstacles of theory end. She has brought back from the dead many young lives the world deemed hopeless. . . . There are many who possess the title of 'doctor' who have never come close to her incredible example of the selfless healer."
