Hanna and the mermaid became the rulers of their island. They ruled their island with courage. But now their parents were asking them to get married and settle down. They took their parent's worries as joke until one day a young and charming prince arrived on the island. Both Hanna and the mermaid fell in love with the prince but the prince was struggling to get his kingdom back from the revolutionaries. What will happen when both the friend's loved the same prince? Will the prince be able to get his kingdom back? Will the friendship win?

For many parents, curling up with a book for a bedtime story with their kid is a daily ritual. For others, it is the perfect time to spend time with their children after a busy day, and for some, it is something they should do but are not entirely sure why. Discover these benefits of bedtime stories for kids.

Sharpen their brains

Research shows that one of the greatest benefit of interacting with children, including reading to them stories, is that children learn a great deal of things- from improved logic skills to lowering their stress levels. Bedtime stories rewire the brain of a child and quicken their mastery of language. Their vocabulary repertoire is expanded and their listening and oral communication skills enhanced. bedtime stories for kids

Enhance creativity and Stimulate imagination

If you are a good storyteller, then you should teleport your kid to a different realm- from reality to fantasy for the child to learn the difference between these two. This will enhance and stimulate his imagination. children's books kindle
