Five Views on Law and Gospel Walter C. Kaiser Jr., Douglas J. Moo

Do the Law and the Gospel belong to two separate dispensations? Has the Gospel replaced the Law? What is the relevance of the Old Testament Law to our lives as Christians? Is there continuity between it and what Christ expects of us in the Gospel? It is no secret that Christians have differed widely on these questions. This book explores five major approaches to this important biblical topic that have developed in Protestant circles. Each of the five authors presents his particular perspective on the issue and responds to the other four. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.
