They say that blood is thicker than water, but what happens when your blood is the one that crosses you? Meet Sashae and Liberty; two typical twenty-one year olds that were dealt a pretty good hand in life. Dealing with everyday issues, they stuck by each other's side and tried to remain loyal to one another. However, when a sudden chain of events occur, will the girl's friendship get past it, or will it come crumbling down due to unforgivable decisions? Who will be left to pick up the pieces? Or will they both get the surprise of their life?

Meet Tremaine and Travis; brothers on paper, but strangers to everyone else. Tremaine, also known as Beast to the streets, has always wanted a bond with his brother. Travis, on the other hand, only cares and loves himself and wants nothing to do with Tremaine. But what happens when Travis crosses the people closest to him? Will Travis' dumb decisions lead him to a predicament that he never thought he would be in? Will Tremaine learn that it's a dog eats dog world that he lives in?

When all four cross paths, what will happen? Will they be loyal to each other or will loyalty be up for question?
