Moving Forward: Taking the Lead in Your Life Dave Pelzer

Self-help expert Dave Pelzer teaches readers how to let go of the past and use negative experiences to make them stronger when tackling the future.

"Learning from our prior experiences, we can, and should, aspire to fulfill our dreams, making life better not only for ourselves but for others around us," Dave writes in the introduction. "I am of the belief that you do not have to be a mayor of a major metropolis or CEO of a Fortune 500 company in order to take a stand for your convictions; to lead, rally, or educate others for your cause; or to maintain a vision that will pave the way for other generations to come. The *everyday*, hardworking folks, God bless 'em, have and always will continue to, day in and day out, truly make an impact on their families, communities, jobs, America, and the world as a whole."

Dave Pelzer walks readers through the process of learning how to turn the experience gained from past hurts into the power to live a better life and help others do the same with his trademark wisdom, support, and tough love.
