Your First Orchid Stephen R. Batchelor

It is easy to learn how to grow orchids with the help of this book published by the American Orchid Society. The author writes about how to select orchids, water and fertilize plants, choose a growing area, repot, identify and control ailments, and then recommends choices for beginners. More than 70 color photographs by Charles Marden Fitch show how to pot an orchid, water, grow orchids under lights, and much more.
