CLOG : BIG

CLOG slows things down. Each issue explores, from multiple viewpoints and through a variety of means, a single subject particularly relevant to architecture now. Succinctly, on paper, away from the distractions and imperatives of the screen. For its inaugural issue, CLOG focuses on Bjarke Ingels Group (BIG), a firm whose rise and rapid output has kept pace with- and is inseparable from - online media while remaining largely unexamined from a critical perspective. Bringing together contributors from backgrounds including art, architecture, criticism, journalism, parkour, engineering, comics, photography, philosophy, and more, CLOG:BIG presents the first holistic, critical examination of Bjarke Ingels and his firm.
