Each book in this series offers all the statutes, legal opinions, and studies a student needs to structure a cohesive argument on a given controversial topic. Issues are presented from multiple points of view; sidebars cite law and opinions to aid in critical analysis; paratextual questions encourage reader engagement; and all sources are fully documented and grouped by the side of the argument. Analyzes the controversy over gun ownership in America: How does the Second Amendment's right to bear arms fit into the modern world? Does the state have an interest in restricting the licensing or sale of firearms to the public?
