Prophetic Literature: From Oracles to Books Ronald L. Troxel

Prophetic Literature: From Oracles to Books presents an in-depth introduction to the origins and development of the Prophetic Books of the Old Testament, including an examination of the literary structure, authorship, and editorial processes that produced each book.

- The only introductory textbook that explores both how the prophetic books were composed and edited
- Accessible and engaging, the book contains numerous student features to encourage learning, including introductions, summaries, tables and boxes, etc
- Based on international scholarship on the individual prophetic books, including German scholarship that is otherwise inaccessible to most English readers
