Summer of Love: The Billionaire's Baby (A BWWM Hollywood Superstar Love Story) Imani King
College graduate Natasha Ray decides to become a surrogate to pay off her student loans... but she's stunned when she meets the man whose baby she is to carry - Blake Charlton, blue-blooded megastar, reigning king of Hollywood and a man who has yet to learn that money can't buy love.

Natasha denies the connection between herself and the crazy-sexy leading man, keeping everything strictly platonic until a shocking revelation about his wife's past impropriety causes his marriage to implode in a storm of tabloid headlines and heartbreak for the man who seemed to have everything.

Wary of Blake's fame, Natasha tries to keep her distance even as he reveals an unexpected tender side - and an ability to get under her skin like no man ever has.

Can Blake and Natasha run the gauntlet of their wildly different upbringings and rabid media interest? Or will they both be punished for Blake's decision to turn away from a way of life that suddenly seems shallow and empty in the light of his burgeoning relationship with Natasha? With her solid values and her refusal to be dazzled by the spotlights and flashbulbs of Hollywood, she's like no one Blake has ever met before. But is she even interested in building a life with a man like him, whose every mistake since he was a teenager has made headlines and who is only now coming to realize that the best things in life really are free? Can Natasha put aside the circus of Blake's life and open her heart to the man himself - and to the kind of love she's always dreamed of?

"I was fighting with myself - with every instinct telling me to keep going and that little voice in the back of my mind telling me to slow down, to take a good hard look at what I was doing and how, even if he was newly single, nothing else had changed about our respective situations. Blake Charlton was a billionaire and a shining star in the Hollywood firmament - and he had more than earned his reputation as a player with a huge appetite for women. I was Natasha Ray, broke college graduate with bills to pay, a career to establish and a distinct lack of experience with men like that. What was I thinking?

That's the problem, I wasn't thinking. All I could do in Blake's arms that night was feel - and he felt so damn good."

Sexy, steamy and heartwarming, 'Summer of Love' is a full-length 55k romance novel with a HEA and no

cliffhangers! It contains steamy scenes and language.
