Christmas wedding in Colorado? A two-week celebration with family and friends? Who does that?

Photojournalist Reagan Bryant has just returned from six month stint in Afghanistan. Haunted by the tragedy that ended her last assignment, she's searching for some peace—something to end the guilt and chase the trauma away. Two weeks at the resort hotel owned by her future sister-in-law's father seems like the perfect escape.

Shelby Sutton doesn't trust women. They always seem more interested in her father's money than in her. But at her sister's request, she vows to make friends with Reagan, a woman whose sad and haunted eyes are nearly impossible to ignore.
