“She's willing to become anything you want.”

Adam was broke, desperate, and still living in a student slum. He didn't see any way out, until he inherited the Ring of Kings. Adam figures out its **power of influence**, and immediately commands his way to a better life. But why stop at free drinks and bigger tips? It doesn't take long for Adam to aim higher, living the good life as he **transforms five beauties into sex-crazed bimbos**. But the ring demands an obligation from Adam: Each command must be for the good of everyone involved.

With his great power and the responsibility that comes with it, Adam struggles against the urge to abuse his power. Luckily for him, his harem's only desire is to be **satisfied, in both mind and body**.
