My Sister Has Breast Cancer Christine L. Morgan

To hear the word 'cancer' connected to your daughter, sister, or mother can be very frightening. Christine Morgan's family had always experienced excellent health and led an active lifestyle. Suddenly, the diagnosis of breast cancer threw her family into unfamiliar territory. A family accustomed to doing things together, they had no experience to face the throes of breast cancer and didn't know how to cope or help one another through the battle. Now, several years later, Author Morgan wants to help other families find the courage and strength to get through their own breast cancer battle, or any other type of cancer. She chronicles the fears of the realities and the unknowns, the shift from a happy-go-lucky family to a family with many tears, the family's disagreements for medical care, the various medical options available and finally she shares the family's plan to work together as a team to help her sister through this battle. **My Sister Has Breast Cancer!** is a heartfelt, touching and informative compilation of Author Morgan's journal entries, which she maintained through her family's own battle with breast cancer. Christine Morgan's book will inspire and comfort the reader through any crisis. Christine is a busy woman with a large and close-knit family, who works in many different arenas to help others. Her main interest is in women's health issues. She teaches prenatal health classes, childbirth preparation classes, and, most recently she has begun helping women attain good health through an exercise program. Christine has ministered as a pastor's wife for over thirty-five years. She enjoys leading small groups, teaching Bible studies and speaking at women's events. Christine and her husband, Eddie, reside in Clovis, California where they enjoy spending time with their three married children and seven grandchildren. While the author's earlier publications include journal articles related to childbirth, **My Sister Has Breast Cancer!** is Christine's first book.
