Reckless Amanda Quick

At sixteen Phoebe Layton had imagined that Gabriel Banner was a brave and valiant knight, a noble-hearted hero born to rescue ladies in distress. Which was why, eight years later, when she desperately needed help to carry out a vital quest she could think of no one more suited to the job than Gabriel. But when she lures her shining knight to a lonely midnight rendezvous, Phoebe finds herself sparring with a dangerously desirable man who is nothing like the hero of her dreams, and when he sweeps her into a torrid – and blatantly unchivalrous – embrace, she can't help but fear that she's made a dreadful mistake. It's a kiss that will seal Phoebe's fate. For now the exacting Earl of Wylde has a quest of his own: to possess the most intriguing, impulsive, outrageous female he has ever met...even if he has to slay a dragon to do it.
