The Pursuit of God Bible will introduce a whole new generation of readers to the works of A. W. Tozer. A pastor, preacher, student and teacher, Tozer (1897-1963) is perhaps the closest American writer to C. S. Lewis, with his penetrating insights and straightforward use of language. Fifty years after his death, his bracing words now accompany related passages throughout the popular New International Version Translation. This unique volume features close to 600 key selections and teachings, taken from more than 40 of Tozer's writings, ranging from seminal bestselling books like *The Pursuit of God* and *The Attributes of God* to lesser-known works such as *The Size of the Soul* and *The Root of the Righteous*.
