“Look upon me, dragons!” I declared “I am invincible. There is not a single winged creature in the known world which can hope to bring me down. Let this be a lesson to you all. If you attempt to attack Ironfort, then we, the Steves, shall defeat you!”

Long before the time of the ninja, there were the Vikings. Ferocious warriors known for their love of battle and love of family. In the olden times, the great clans ruled over the lands. The most powerful of them all, were the Steves.

Bverk is a Dragon Slayer, and one of the best at that. With his friends, he seeks to keep the Ironfort safe from the tyrannical dragons, fire breathing monsters which seem to want nothing more than to burn the humans to the ground.

However, when a rival clan obtains the power to control these beasts, the Steves must fight for their lives to save not only their home but also their very species.

Diary of a Minecraft Viking takes a closer look at the olden times. Join Bverk in an adventure that's sure to make anyone laugh, as he attempts to take on both humans and dragons in the ultimate showdown. The perfect gift for young Minecraft lovers.
