The President's Pilot Robert Gandt

First-of-her-kind President Libby Paulsen is in a world of trouble. Her controversial agenda has made her the target of a right wing military cabal led by an enigmatic Air Force general. The conspirators will stop at nothing—including assassination—to remove Libby Paulsen from office. When the cabal targets Air Force One, Libby's Presidency—and her life—rest in the hands of a maverick pilot named Pete Brand, a man with whom the President shares a long-smoldering secret. The President's Pilot is a high stakes political and military thriller drawn from today's—and tomorrow's—explosive headlines.
