The World Heroin Market: Can Supply Be Cut? (Studies in Crime and Public Policy) Letizia Paoli, Victoria A. Greenfield, Peter Reuter

Heroin is universally considered the world's most harmful illegal drug. This is due not only to the damaging effects of the drug itself, but also to the spread of AIDS tied to its use. Burgeoning illegal mass consumption in the 1960s and 1970s has given rise to a global market for heroin and other opiates of nearly 16 million users. The production and trafficking of opiates have caused crime, disease, and social distress throughout the world, leading many nations to invest billions of dollars trying to suppress the industry. The failure of their efforts has become a central policy concern. Can the world heroin supply actually be cut, and with what consequences?

The result of a five-year-long research project involving extensive fieldwork in six Asian countries, Colombia, and Turkey, this book is the first systematic analysis of the contemporary world heroin market, delving into its development and structure, its participants, and its socio-economic impact. It provides a sound and comprehensive empirical base for concluding that there is little opportunity to shrink the global supply of heroin in the long term, and explains why production is concentrated in a handful of countries--and is likely to remain that way. On the basis of these findings, the authors identify a key set of policy opportunities, largely local, and make suggestions for leveraging them. This book also offers new insights into market conditions in India, Tajikistan, and other countries that have been greatly harmed by the production and trafficking of illegal opiates.

A deft integration of economics, sociology, history, and policy analysis, *The World Heroin Market* provides a rigorous and vital look into the complex--and resilient--global heroin trade.

From reader reviews:

Walter Cornwell:

What do you regarding book? It is not important with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy particular person? If you don't have spare time to do others business, it is make you feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They need to answer that question because just their can do that. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on kindergarten until university need this The World Heroin Market: Can Supply Be Cut? (Studies in Crime and Public Policy) to read.

India Mead:

Spent a free time to be fun activity to perform! A lot of people spent their free time with their family, or their very own friends. Usually they accomplishing activity like watching television, gonna beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Could possibly be reading a book can be option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to try look for book, may be the publication untitled The World Heroin Market: Can Supply Be Cut? (Studies in Crime and Public Policy) can be very good book to read. May be it could be best activity to you.

Leslie White:

Playing with family in a park, coming to see the water world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try thing that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The World Heroin Market: Can Supply Be Cut? (Studies in Crime and Public Policy), you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't have it, oh come on its called reading friends.

Andrew McConnell:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The World Heroin Market: Can Supply Be Cut? (Studies in Crime and Public Policy) can make you experience more interested to read.
