Family Secrets Don Smarto

Family Secrets is the dramatic and often chilling story of Mafia dons from Sicily and their ruthless power and violence on the streets of Chicago. Don Smarto discovered slowly that his "uncles" were connected to organized crime.

You will be mesmerized by the knowledge he gained from his mother, a woman who witnessed and lived much of what is only history to most. Don spent most of his teenage years confused and angry by events that impacted him deeply; family crimes, imprisonment, murder and assassination.

This book will be difficult to put down as it takes the reader into a world of unimaginable crime and corruption, but is also a story of triumph as God gave Don Smarto the power to break away from the crimes of his family.
