Going Agile Project Management Practices Second Edition Gloria J Miller

Going Agile synthesizes definitions, concepts, and practices that would be applicable to an executive, manager, or project manager that wants to be informed about agile. It is designed as an introduction to different agile themes and as a reference on the application of agile practices. It can be a valuable guide for a transition to agile practices and a desk reference for applying agile techniques to a project. The second edition provides an update on the field experiences since the original book as well as a larger print size and color figures.
