Jonathan Swift

Major Works (Oxford World's Classics) Jonathan Swift

This authoritative edition brings together a unique selection from the full range of Swift's fifty-year career--prose, poetry, and letters--to give the essence of his work and thinking. Jonathan Swift (1667-1745) is best known as the author of *Gulliver's Travels*, which alone would have secured his place in the history of English literature. But in addition to this classic fictional satire, Swift wrote numerous works concerning politics, religion, and Ireland, some savage, others humorous, all suffused with his tremendous wit and inventiveness. This anthology includes satirical works such as *A Tale of a Tub* and *The Battle of the Books*, political pamphlets, pieces for the popular press, poems, and a generous selection from Swift's correspondence. Presented chronologically, the anthology offers a new and clearer awareness of the unity as well as the complexity of Swift's vision, and the powerful bonds between disparate pieces.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
