She thinks I betrayed her. If only she knew the truth.

Jennifer

Jaxon broke my heart before we'd even been on our first date. Now he's a famous soccer player in England, and it's my job to convince him to come back to America.

Except I don't want him to come home. I don't want him anywhere near me. Not after what he did to me four years ago.

Jaxon

Jenny still hates me. I can't blame her. I hate myself sometimes for what I did to her.

After four painful years apart, Jenny's back in my life and this time things are going to be different. This time I'm not letting her go without a fight.

Score is a standalone novel with no cliffhanger and a HEA ending
