The Dark Scarlett (a continuation of the NOVA trilogy) contains strong language, explicit sex scenes, and subject matter that may be disturbing for some readers. 18+

You can never escape the past, especially when it hunts you down and kicks you in the ass. ~ Cove Everton

I was forced into the adult film industry by a man named Paul Jameson. What a psychopath he was. Besides the mental, physical, and sexual abuse he put me through, he also turned me into an alcoholic. Bastard. He really fucked with my head.

Thank God he's no longer in my life, and interestingly enough, I fell in love with his daughter, Sophia. We got married and own a wine bar in St. Louis called The Dark Scarlett. Sad to say, *dark* doesn't even begin to describe the incidents at our place.

What else... I'm also a bit of a self-centered prick. I make mistakes and so does my wife. We're like shit magnets that get pulled into a tornado each day, spun around, and vomited out.

Get ready...
