Joshua's petite English wife's attitude to their marriage has changed. She is no longer the shy, young lady he used to know, but an assured, confident woman who knows what she wants. It is now not enough for her that he is semi-permanently in chastity and accepting of their femdom lifestyle; she wants more, and thinks she knows how to get it.

Kate's new friend, Rebecca, continues to instruct Kate on how best to make Joshua accept his new submissive position in their relationship. She encourages Rebecca to push him further, further than he had ever imagined he could possibly go.

Are there any limits to how far Kate will push Joshua? Will Joshua continue to obey his wife, whatever she asks of him? How will Rebecca and Kate test and humiliate him next?
