Something to Talk About (Cochran/Deveraux Series Book 6) Melanie Woods Schuster

Something to Talk About, the sixth book in the Cochran/Deveraux series, answers the question that readers started asking after the first book, Lucky in Love: who is the mysterious John Flores and what is his relationship to the Cochran family? At the very end of A Merry Little Christmas, the fifth book, Big Benny Cochran confided something to his daughter-in-law, Angelique Deveraux Cochran that had readers overcome with curiosity and now all the answers are out on the table.

Adam Cochran has a lot on his mind because he's recently admitted to himself that he's in love with his best friend and business partner, Alicia Fuentes. She's always been hands-off to him because they made a promise to stay friends and only friends. He'd finding it harder and harder to keep that promise because he wants her like he's never wanted anything or anyone in his life.

Alicia is going through the same thing because she's been in love with Adam for years and the same promise has kept her from admitting her feelings for him. But true love will always find a way and they finally break down the barriers that have kept them in the BFF category and find their way into each other's arms.

Being in love is wonderful and their passion exceeds all their expectations. Adam proposes and she accepts, but when Big Benny announces to the family that he fathered a son while he was married to his late wife, Lillian, everything changes,

Adam is furious and refuses to have anything to do with his new half-brother, even though the rest of the family is willing to accept him. Benita tries to convince Adam that John is a good man, reminding him that John Flores is the man her saved her sanity and helped her reconcile with Clay after the tragic car accident that made her miscarry their first child, Even after finding how how Big Benny came to have a one-night-affair with John's mother, Adam isn't convinced that he can forgive his father and accept his brother. His angst drives a wedge between him and Alicia and causes her great distress.

But when it's revealed that John is dying of the same condition that caused his mother's death and that Adam is the only one who can save him through a living transplant, Adam has no choice but to do the right thing and volunteer to help his newest sibling. Now it's Alicia who has the [roblem because she's afraid that something will happen to Adam during the surgery.

Adam's tender love and infinite passion show Alicia that she has nothing to fear, that he and John will both come through the procedure with flying colors so that he and Alicia can live a life filled with love. And he's right; everything works out perfectly and they begin their new life together.

Of course, there's the small matter of what becomes of John Flores-Cochran and his acerbic assistant "Miss Parker", and that's what book seven, A Fool for You is all about. Happy reading!

Winford Patterson:

As we know that book is significant thing to add our understanding for everything. By a publication we can know everything we want. A book is a group of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This reserve Something to Talk About (Cochran/Deveraux Series Book 6) was filled with regards to science. Spend your extra time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading the book. If you know how big good thing about a book, you can feel enjoy to read a e-book. In the modern era like at this point, many ways to get book that you just wanted.

Clyde Connell:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Something to Talk About (Cochran/Deveraux Series Book 6) can make

you really feel more interested to read.
