Theology of the New Testament

Rudolf Bultmann

Theology of the New Testament Rudolf Bultmann

It is difficult to overestimate the singularity of Rudolf Bultmann. Bultmann's Theology of the New Testament changed the course of New Testament interpretation and has continued to influence the field until today. As ambitious in scope as it is consistent in method, Bultmann's volume asks and provides answers to the big questions. Bultmann also found a way to wed a sober-minded commitment to historical reconstruction to his deep desire for the New Testament to speak to contemporary humans.
