What On Earth Is An Atheist! Madalyn Murray O'Hair

This is the first book Madalyn Murray O'Hair ever wrote. It is composed of transcripts of her landmark 1968 Atheist radio broadcasts made under the aegis of the Society of Separationists, the parent organization from which American Atheists Inc. later developed.

This corrected new edition allows you to join Madalyn as she expounds upon an avalanche of theological and political topics: government giveaways of property to churches; the real 'religious foundations' of the United States; the philosophical and historical foundations of Atheism; Atheist thinkers and writers of various epochs; the dozens, not legions, of Christian martyrs put to death in antiquity; errors and absurdities of the Bible; and more.
