BOOK #1 PREVIEW

Many people have heard of fruit infused water, what you might not know is all the ways that it can benefit your life just by being consumed every day. Water is not only good for our health, but it is also good for our mental outlook as well. There are so many benefits to drinking infused water that it would be a shame if you overlooked this book or this concept and forgot about the amazing epiphany that you will have by learning more about how fruit infused water can put you on the path to extreme health and energy.

BOOK #2 PREVIEW

The ketogenic diet is a pretty under sung way of losing weight and staying lean. It was started over ninety years ago and has had several different uses over the years. Most importantly, the ketogenic diet has been used as a way to help reduce the instances of epileptic seizures in people who suffer from them regularly. It is a very effective treatment and works well to keep people healthy while losing weight. There are a lot of interesting ways that the ketogenic diet works to ensure that your body metabolizes your fat so that you can stay lean and lose weight fast.
