## **Legends: Heroes and Villains** Anthony Horowitz

From the pen of master storyteller Anthony Horowitz comes a new series of myths and legends from around the world, retold in a contemporary voice, and illustrated with bold, graphic artwork. Packed with Horowitz's signature action, humor, and suspense these collections feel fresh, modern, and perfect for today's fast-moving audience.

The battle between good and evil has raged throughout time, in every corner of this world and the next. Some have fought using their superior strength, and some their wit and cunning. This collection features some epic favorites on both sides like Hercules, Theseus, and Polyphemus the Cyclops, and other less-familiar but equally fierce opponents like Polynesian trickster Maui, and Grendel of Beowolf. No matter if they fight with speed, skill, or sheer determination, they all have one thing in common: they will fight each other to the death.
