The Revolt Workbook (Beyond Belief Campaign) Josh D. McDowell

Josh McDowell's Beyond Belief message is the foundation to launch a spiritual revolution among youth. This is a revolution to equip churches and families to raise up a generation of the cross—young people who have been transformed by Christ and the cross, who are empowered to live crossgrain to the culture and are committed to share Christ across all cultures.

Sixteen stand-alone products make up an entire family of resources that churches need to launch a church-wide revolution. These products are directed to every age group from 5 to 105, and help equip church groups and families with the tools to lead their children and youth to become transformed, passionate followers of Christ.

This eight-session workbook study for youth groups with leader's guide follow up the video series and is designed to disciple youth to become passionate followers of Christ.
