Growing up human, the witch Stacey Nixon yearned for a better life. She never imagined that she'd make a deal with the devil aka the head of the Alliance seeking to destroy all the supernatural beings in order to fund said life.

Stacey is forced to take refuge with the supes and has somehow carved out a life for herself among the Were wolf pack. It's rumored that no one can tempt the playboy Warrior Van to commit, but soon passion burns between them. Though a future together is impossible, she fears he has no intention of ever letting her go.

If they defeat the evil Alliance that is coming for them, can Stacey deny the Warrior when he demands her surrender of both her body and soul?
