Economics and the Environment, 7th Edition Eban S. Goodstein, Stephen Polasky

Climate change and other critical environmental challenges are reshaping economic policy and practice. In the 7th edition of *Economics and the Environment*, Dr. Eban Goodstein and new co-author, Dr. Stephen Polasky, provide students with a clear, concise, and comprehensive presentation of environmental and resource economics. The text also offers a compelling look at broader topics including the ethical foundations of environmental economics, the promotion of “clean technology”, and the challenges of sustainable development. With a unique framework and compelling narrative style, Goodstein & Polasky provide a timely synthesis of the economic tools available for understanding and solving environmental problems that are crucial for today’s students to consider for tomorrow’s world.
