"Sarah Woodbury is my new favorite author ... I read all the books in the After Cilmeri series in four days! Long after I finished the last book, the stories and characters stayed in my mind, and I kept wishing I could return the world Sarah so skillfully created. I can't wait for the next book and the next ..." -- Debra Holland, New York Times bestselling author of the Montana Sky Series.

The Time Travel Fantasy Bundle includes Footsteps in Time and Prince of Time, books one and two in the After Cilmeri Series. It tells the story of David and Anna, two teenagers catapulted back in time to alter history and save the medieval kingdom of Wales.

Footsteps in Time: In December of 1282, English soldiers ambushed and murdered Llywelyn ap Gruffydd, the Prince of Wales. His death marked the end of Wales as an independent nation and the beginning of over seven hundred years under the English boot.

Footsteps in Time is the story of what might have happened had Llywelyn lived.

And what happens to the two teenagers who save him.

Prince of Time: Prince of Time, the second book in the After Cilmeri series, continues the story of David and Anna, two teenagers catapulted back in time to alter history and save the medieval kingdom of Wales. David and his man-at-arms, Ieuan, find themselves alone and on the run from a company of English soldiers who've sworn vengeance for the recent death of their king. Meanwhile, Llywelyn lays on his deathbed from a traitor's arrow. And once again, it is David and Anna, and all they represent, that holds the key to the survival of Wales.
