Ghosts of the Past Mark H Downer

In the spring of 1945, an unmarked German transport plane crash lands deep in the rugged Swiss Alps, and with it is buried one of the greatest single collections of World War II stolen artwork never recovered. Lying undisturbed in its rocky tomb for over half a century, a family member's deathbed disclosure and war memorabilia hold the key to the existence and dormant location of this incredible treasure. American advertising executive Matt Ferguson, upon his discovery and pursuit of his great uncle's mysterious legacy, enlists the help of a beautiful art expert, Courtney Lewis, and as their quest is unwittingly exposed, immediately become embroiled in a local murder investigation that draws them together in an effort to save not only a piece of history, but ultimately their lives. Striving to stay ahead of anonymous pursuers, they are stalked by a ruthless South American industrialist bent on forcibly seizing the priceless collection for himself, while simultaneously being hunted by a murderous band of ODESSA henchmen representing the past and present generations of the German Nazi party, seeking an additional relic from the crash more sinister than a mere cache of stolen art. With the dogged persistence of a city homicide detective determined to solve a triple murder, and his ability to knit together a global police effort, the chaotic and thrilling race to recover the find of a lifetime becomes a fast-paced, action packed adventure that weaves together an eclectic cast of characters in an international web of intrigue, murder, mystery and an unexpected conclusion that will keep readers riveted until the last page.

From reader reviews:

Peter White:

The book Ghosts of the Past make you feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can being your best friend when you getting stress or having big problem together with your subject. If you can make reading through a book Ghosts of the Past to become your habit, you can get considerably more advantages, like add your own capable, increase your knowledge about some or all subjects. You could know everything if you like start and read a book Ghosts of the Past. Kinds of book are a lot of. It means that, science publication or encyclopedia or other folks. So , how do you think about this publication?

Sandra Hughes:

Book is to be different per grade. Book for children till adult are different content. We all know that that book is very important for all of us. The book Ghosts of the Past was making you to know about other information and of course you can take more information. It is very advantages for you. The guide Ghosts of the Past is not only giving you much more new information but also being your friend when you really feel bored. You can spend your personal spend time to read your reserve. Try to make relationship together with the book Ghosts of the Past. You never sense lose out for everything if you read some books.

Tracy Laflamme:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is in the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you get the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take Ghosts of the Past as the daily resource information.

Homer Gardner:

Playing with family within a park, coming to see the coastal world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try thing that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Ghosts of the Past, you can enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't obtain it, oh come on its called reading friends.
