How to Look for Love: A Refreshing New Take on Men, Women, and Romance Mari Ruti

This book was previously published in hardcover as *The Case for Falling in Love*.

Men and women are not as different as we've always been told. We're not from Venus or Mars; we were all born on planet Earth. Flying in the face of traditional relationship advice, *How to Look for Love* offers up a refreshing take in a world full of tired rules and fake games. This is an inspirational manifesto that brilliantly skewers the status quo while using everything from Freud to *Gossip Girl* to help us rethink our notions of how love works.

"Funny and thought-provoking...an extremely refreshing take." Publishers Weekly, starred review
