Microeconomics Plus MyEconLab with Pearson eText -- Access Card Package (12th Edition) (The Pearson Series in Economics) Michael Parkin

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab

& Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab &

Mastering products, you may also need a Course ID, which your instructor will provide.

Used books, rentals, and purchases made outside of Pearson

If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not

be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

For the two-semester principles of economics course.

This package includes MyEconLab[®].

An intuitive and grounded approach to economics

Get students to think like an Economist using the latest policy and data while incorporating global issues.

Micro economics, Twelfth Edition builds on the foundation of the previous edition and retains a thorough and careful presentation of the principles of economics. **Micro economics** emphasizes real-world applications, the development of critical thinking skills, diagrams renowned for pedagogy and clarity, and path-breaking technology.

Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, students "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Students will begin to think about issues the way real economists do and learn how to explore difficult policy problems to make more informed decisions in their own economic lives.

Personalize learning with MyEconLab

MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
